05: The Connect range from Ideal Standard is finished with the innovative Ideal Plus surface coating. Water and dirt simply run off, making cleaning easier.

Source: Ideal Standard GmbH

06: The shower trays from Kaldewei feature best possible hygiene and easy cleaning as the surfaces are enamelled continuously, without joints.

Source: Franz Kaldewei GmbH & Co. KG

07: Kaldewei enamelled steel is smooth on the skin and particularly hygienic and easy to care for. The Kaldewei repellent effect works against dirt and limescale.
